#### Ph.D. Tentative Degree Program Sheet

Cohort Start Year Fall 2018 – Later

STUDENT NAME: \_\_\_\_\_

STUDENT ID #: \_\_\_\_\_

CONCENTRATION: \_\_\_\_\_

All PhD students must complete a Tentative Degree Program by the end of the first year.

- Consult with the PhD Director, your concentration chair, and your adviser to complete the degree planning worksheet (see “PhD Course Scheduling Matrix.xlsx”)
- Each concentration has its own tab. Only complete the tab corresponding to your concentration.
- When you are finished with the worksheet, click “Print” and the form will automatically print onto one page. Do not adjust the formatting or print settings.
- See the *Course Sequencing* tab for details on planning your program of study, depending on whether you are starting with POS 517 (intermediate statistics) or PAD 705; and depending on whether you are taking 9- or 12-credits per semester.
- The *Sample Worksheets* tab contains examples of completed worksheets.
- If you plan to apply for advanced standing on the basis of graduate coursework completed elsewhere, discuss your course transfers at this time so those credits can be captured on your worksheet.

*ATTACH YOUR PRINTED PLANNED SCHEDULE TO THIS DOCUMENT.*
